A LOOK BACK AT MY 2018 GOALS:

1. My goal is to go on three out-of-town press trips or media junkets in 2018 by working hard, getting noticed and making connections with people who can make that happen. I have a few wish list items like Beaches Moms and some of the Disney red carpet movie premieres. I went on 28 trips in 2018 and 13 of them were fully hosted media junkets. My dream of walking the red carpet at a Disney movie premiere event was realized in July when I was invited to attend the world premiere of Christopher Robin. While I haven't yet been invited to Beaches Moms Social Media On The Sand (it's still a goal) I think I knocked this one out of the park. It was an incredible year of travel and experiences.
